“Neighbors Helping Neighbors”

ATLANTA, GA, ISSUED OCTOBER 20, 2005.....D&D Aviation Services participated in a Job Fair this past September 27th at the Georgia World Congress Center to help reach out to the Hurricane Katrina and Rita evacuees by offering employment opportunities. This opportunity was welcomed with open arms as we witnessed an overwhelming 15,000 people show up with resumes in hand.

Representatives of more than 300 companies were on hand at what was billed as one of the largest job fairs in the state's history. Some employers were prepared to offer jobs on the spot.

The doors were closed in order to make sure that the 15,000 people who showed up first were given the opportunity to have their resumes processed.

Some 10,000 jobs from entry-level to management were available for Atlanta residents, as well as evacuees from Hurricanes Katrina and Rita.

The United Way is currently trying to arrange another job fair as soon as possible in the Atlanta area. When this happens, D&D Aviation Services will be a part of it and will continue to reach out to the Hurricane Katrina and Rita evacuees along with Georgia residents.

About D&D
